-105. * Note: "x" is the placeholder for the number rotating discs in brake. "yyy" are the placeholders for
the torque value of the brake.

President

The issuance of this Authorization for the use of the BISSC Symbol is based upon the voluntary certification, by the applicant, that the equipment listed above complies fully with the ANSI/ASB/Z50.2-2015 standard reference(s) specified. Legal responsibility for compliance is solely that of the holder of this Certificate of Authorization, BISSC does not warrant that the holder of an Authorization at all times complies with the provisions of the designated standard(s). This in no way affects the responsibility of BISSC to take appropriate action in cases where evidence of non-compliance by the holder of an Authorization has been established.
